

HM MINING

— we understand
the importance
of diversification

01
WHO WE ARE

HM Mining is a leading player in the mining industry, specializing in the extraction and processing of a variety of minerals.

Our commitment to innovation and sustainability has positioned us as a trusted partner in the global market.

1 RARE MINERALS

We are actively exploring and investing in rare minerals that are essential for modern technologies, including lithium, cobalt, and rare earth elements. These minerals are crucial for the production of batteries, electronics, and renewable energy solutions.

3 GOLD

Gold remains a valuable asset, and we are enhancing our exploration efforts in regions with high potential. Our focus is on responsible mining practices that minimize environmental impact while maximizing returns for our stakeholders.

2 IRON ORE

Our iron ore operations are a cornerstone of our portfolio. We aim to increase production efficiency and sustainability, ensuring that we meet the growing demand for high-quality iron ore in the steel industry.

4 ADDITIONAL MINERALS

In addition to rare minerals, iron ore, and gold, we are exploring opportunities in other commodities such as copper, nickel, and precious stones. This broadens our market reach and strengthens our position against market fluctuations.

02

PROJECTS

We operate three diamond projects

HM Mining diversification strategy is designed to create a resilient and sustainable portfolio. By investing in a variety of minerals, we are not only positioning ourselves for growth but also contributing to the global transition towards a more sustainable future.

LUEMBE

Currently in the production phase, Luembe is focused on sustainable practices, aiming to achieve an annual production of 80,000 carats.

CASSANGUIDI

This project is in the geological analysis phase, with an investment budget of \$3 million planned over the next two years.

PUEGE

Is also undergoing geological assessments and is part of our future growth strategy, with an investment budget of \$18 million planned over the next two years.

— **we look forward to an exciting future and invite you to join us.**
